- Participates included: CNSL, CNAP, CNAL, Carrier Planning Activity (CPA), SWRMC, MARMC, SERMC, other?
- Reviewed TYCOM current agenda building processes and MARMC proposal: MAI, MERIT, TSP and FAC
- More questions than decisions were accomplished
- CNSL N43 addressed at FMBOD in Seattle
- Results

# Common Assessment Workshop

## *Agenda Building*

---

- FMBOD agreed TYCOMs own the requirements process.
- FFC is OK with three TYCOMs having their own process to determine assessment agenda.
- TYCOMs agenda building processes do not have to be common.
- CNSL and CNSP meeting to come together on policy.
- The common process for the RMCs begins with a 2Kilo requesting work.

# Common Assessment Workshop

## *Agenda Building*

- Roles and responsibilities within the common process
